Step 4: Enter your desired password and confirm

The screenshot shows the Google account creation interface for the password step. On the left, there is the Google logo and the heading "Create a strong password". Below the heading, it says "Create a strong password with a mix of letters, numbers and symbols". On the right, there are two input fields: "Password" and "Confirm". Below the "Confirm" field is a checkbox labeled "Show password". At the bottom right of the form area is a blue "Next" button. At the bottom left, there is a language selector set to "English (United States)". At the bottom right, there are links for "Help", "Privacy", and "Terms".

Step 5: Enter your phone number to verify your new account

The screenshot shows the Google account creation interface for the phone verification step. On the left, there is the Google logo and the heading "Confirm you're not a robot". On the right, it says "Get a verification code sent to your phone". Below this is a country selector showing the United States flag and a "Phone number" input field. Below the input field, it says "Google will verify this number via SMS (charges may apply)". At the bottom right of the form area is a blue "Next" button. At the bottom left, there is a language selector set to "English (United States)". At the bottom right, there are links for "Help", "Privacy", and "Terms".

A code will be sent to your phone, enter the code provided to you to verify your account and complete your email set-up.
